Warranty Terms & Conditions

The warranty for RX Plastics Ltd 500–30,000 Litre Plastic Water Tank (any colour) will be for a period of twenty (20) years from the date of purchase. (Proof of purchase and proof of date of purchase may be required).

Warranty for the tank will provide coverage from freedom from defects, faulty workmanship or materials.

This WARRANTY is VOID under the following conditions:

- In the event that the tank and fittings are not installed strictly in accordance with the Tank Site Preparation guidelines.
- If used for any purpose than as a stationary water tank.
- Unauthorised repairs, modifications, alterations, or relocation without prior written approval from RX Plastics.
- Act of God.
- If the defect arises from use that is other than fair wear and tear.
- That the tank has not been adequately vented to prevent vacuum or pressurisation of vessel. Refer to Tank Manufacturer for advice.
- Damage sustained while in transit or on the Merchants premises.
- The warranty does not cover consequential loss or damage howsoever arising.
- The warranty does not cover minor cosmetic damage or slight variations in tank colour.
- The warranty does not cover leaking of factory fitted fittings or mechanical fittings, unless they arise from defects of the fittings, or faulty materials.
- Prompt notification shall be given to RX Plastics of any defect or failure. RX Plastics agrees to either repair or replace as its option under terms of this warranty.
